Education

Bachelor's Degree in Information Security,
Tashkent University of Information Technologies ✎
Cumulative GPA: 4.0 / 4.5
Relevant Coursework: Data Structures & Algorithms, Operating Systems,
Computer Networks, Database Systems, Cybersecurity Fundamentals.

09/2024 – Present
Tashkent, Uzbekistan

Courses

Meta Back-End Developer ✎ , Coursera (Meta)
Python, Django, databases, version control, and backend development
fundamentals.

2025

Express Algoritm ✎ , 42.uz
Solved 100+ DSA problems: arrays, linked lists, trees, graphs (DFS/BFS),
hashing, stacks, queues, bit manipulation. Big-O analysis.

06/2025 – 09/2025

Express Backend ✎ , 42.uz
Built and deployed backend applications using Linux, Git, Python (OOP),
Flask, SQL, Nginx, and Gunicorn.

08/2025 – 02/2026

Skills

Languages
Python, C++(basic)

Databases
PostgreSQL, SQLite

Concepts
Data Structures & Algorithms, OOP, HTTP,
Cloud Deployment

Frameworks
Django, Flask (basic)

Systems & Tools
Linux (CLI), Git, GitHub, Nginx, Gunicorn

Projects

Ozodbek's blog ✎ , Django Blog
Built a maintainable blog system with reusable components and admin-
managed dynamic content.
